2018 HEALTH HACK COMPETITION
TEAM CHARTER

Collective goal(s):
What do you want to achieve as a group? Be sure to articulate clear, feasible, measurable, and time-bounded goals that are aligned with individual goals (previous page).

Team Rules
How will the group communicate? How will decisions be made? How will the group execute and keep track of what's been done? How will conflicts be resolved? Be sure that these rules are aligned with individual expectations (previous page).

Preliminary IP agreement
To be revisited after the IP information session from Calgary Technologies Inc. and TEC Edmonton (on October 24).

Roles: By signing this form, you commit to this team for the 2018 Health Hack Competition. The final team composition must be acceptable to **BOTH** the innovators as well as the challenge champion - as such, signatures are required from both parties. **ONE** team per challenge. **ONE** team per innovator.
Be sure that the roles are aligned with individual skills (previous page)
